BY CHARLES SWAIN.

Oh, there's a power to make each hour As sweet as Heaven designed it, Nor need we roam to bring it home, Though few there be who find it! We seek too high for things close by, And love what nature found us;

For future hopes and praise them; While flowers so sweet bloom at our feet, If we'd but stoop to raise them! For things afar still sweeter are. When youth's bright spell hath bound

But soon we're taught that earth was naught Like home and friends around us!

The friends that speed in time of need When Hope's last reed is shaken; To show us still, that come what will, We are not quite forsaken;-

Though all were night, if but the light From Friendship's altar crowned us. 'Twould prove the bliss of earth was

Our Homes and Friends around us!

Yankee Simile.

"Did you ever drink any of the Thames water, squire?" said the clockmaker, "because it is one of the greatest nateral curiosities in the world -When I returned from Poland in the hair spekelation, I sailed from London, and we had the Thames water on board. Says I to the captain, says I, I guess you want to pyson us, don't you, with that nasty, dirty, horrid stuff? How can you think o' takin sich water as that !-Why says he, Mr. Slick, it does make the best water in the world-yes, and vassed in this community-is well the best porter too; it farments, works To the superintendent of the poor understood, and as a natural conse- off the skum, clarifies itself, and beats cause we believe that fraud, inequali- and onmentionables, that poured into it;

port of each patient, on his way to or from the asylum.

To each assistant allowed by the control of the superior of each patient, on his way to or it, as much as will make him equal with his fellows. There would be just about as much justice in rob-works clear; and what a most beautiful clerk, and accompanying the sheriff, bing somebody that has too much clear stream o' democracy it does make mileage, at the rate of eight cents land and giving it to the landless, as -don't it? Not hot enough for fog, nor per mile, for going and returning. there is in allowing a man to defraud cold enough for ice, nor lime enough to The computation in both instances his neighbor out of a sum of money fur up the byler, nor too hard to wash
